**UNITED DENTAL TECHNOLOGY COLLEGE
SCHOOL #M072167
14550 MAGNOLIA STREET #205
WESTMINSTER, CALIFORNIA 92683**

According to *Section X (D)(3), Rules of Process and Procedure, Standards of Accreditation*, the Accrediting Commission of Career Schools and Colleges (“ACCSC” or “the Commission”), at the same time it notifies the school, will make public an action subject to appeal, with the exception of the denial of a substantive change application. A summary of the reasons for the Commission’s action will also be made public along with information pertaining to the ACCSC appeal process.

At its February 2010 meeting, ACCSC considered the Application for Initial Accreditation – Part I and Part II submitted by United Dental Technology College (“UDTC”) located in Westminster, California.

Summary of Grounds for Denial of Accreditation

1. United Dental Technology College failed to provide accurate and truthful information in response to the required disclosures in the Application for Initial Accreditation (**Preamble, Introduction, Standards of Accreditation**).

ACCSC Appeal Process

United Dental Technology College may opt to appeal the Commission’s decision to deny the Application for Initial Accreditation or to reapply for accreditation by filing a Letter of Intent to Appeal a Commission Decision on or before March 23, 2010. Details regarding the reapplication and appeal procedures are outlined in the ACCSC *Rules of Process and Procedures, Standards of Accreditation*. If United Dental Technology College elects not to appeal this decision, the school may reapply for accreditation after a period of nine months (*Section VII (P)(4), Rules of Process and Procedure, Standards of Accreditation*).
