

APPLICATION FOR APPROVAL OF AN UNDERGRADUATE DEGREE PROGRAM

Accrediting Commission of Career Schools and Colleges (ACCSC)

To be submitted for Commission approval prior to the implementation of a new academic associate degree program.

Please visit the ACCSC website for specific resources and guidance regarding how to successfully complete this application.

Remember to visit the *Preparing a Successful Application* document for more detailed instructions.

In addition, please note: A related degree program is defined as related to the approved degree program(s) currently offered by each school listed below.

The helpful hints provided in this document are applicable to any undergraduate degree application (e.g., Associate degrees and baccalaureate degrees).
Please use the appropriate application for your proposed degree program.

GUIDELINES FOR SUBMISSION - PLEASE REVIEW PRIOR TO SUBMISSION:

1. The school must ensure that the **Payment Submission Form** of this application is included and identifies the correct fee amount, check information, and indicates the correct and applicable school(s).
2. The school must provide a response and all appropriate supporting documentation to all items below. The Commission may not process the application and may require a new submission from the school if the application is found to be incomplete.
3. The completed application should not exceed **100 pages** and should include only the required information. Do not provide copies of the school catalog or information that does not pertain the items in this application.
4. Prior to final submission of this application, review the entire submission to ensure that all required information is provided, that all intended attachments are included, and that the submission is free of errors and typos.

ELECTRONIC SUBMISSION FORMAT REQUIREMENTS:

1. **Electronic Submissions may not be transmitted to the Commission via e-mail.**
2. The school's response must be prepared in accordance with ACCSC's [Instructions for Electronic Submission](#) (e.g., prepared as one Portable Document Format ("PDF") file that has been prepared using Adobe Acrobat software (version 8.0 or higher) and which has a .pdf extension as part of the file name). The school will receive an e-mail confirmation that the file has been received within 24 hours of the submission.

Take time to review the PDF version after completion to ensure it is readable, the bookmarks work, and all pages are turned for easy viewing.

ACCSC has issued the Blueprints for Success Series: [Organizing an Effective Electronic Submission](#). ACCSC encourages the school to review this module prior to submitting this application. More information is available under the [Resources section](#) at www.accsc.org.

I certify that the information herein and attached hereto is correct and that this degree program has not been described in the catalog, advertised or offered to students.

I have read and understand the Guidelines for Submission and the Electronic Document Format Requirements set forth above and I further understand that a failure to adhere to these guidelines and requirements will result in either a delay in the processing of or return of this application.

³ Please note that if the school intends to offer the proposed program via distance education (i.e., 100% online / hybrid), the school must submit the appropriate application (i.e. Application for Expansion of Distance Education Approval or Application for Initial Distance Education Approval), as applicable.

APPLICATION FOR APPROVAL OF AN UNDERGRADUATE DEGREE PROGRAM

Accrediting Commission of Career Schools and Colleges (ACCSC)

REQUIRED SUPPORTING DOCUMENTATION:

1. Processing fee: Please mail a check directly to ACCSC for processing and include a statement identifying the corresponding applications(s). **Note:** Please ensure that the **Payment Submission Form** for this application is included.
 - 1st School: \$1,500
 - Each Affiliated School (applications must be submitted at the same time): \$750
2. Provide program approval from the state (or applicable regulatory agency) with the title and approved clock and credit hours. If the state requires Commission approval prior to final state approval, please provide a copy of the institutional recognition/licensure from the state (e.g. State licensure to operate an accredited institution, License by means of accreditation).
3. Is programmatic accreditation required for graduates to seek licensure in the specific field? (*Section II (A)(1), Substantive Standards, Standards of Accreditation*):
 YES
 NO

Does the school plan to apply or has the school applied for programmatic accreditation related to the proposed program?

- YES
 NO

If the school checked “YES” to one or both from above, provide the following:

- a. A narrative regarding the school's intent/plans for seeking such accreditation;
 - b. A timeline for obtaining accreditation;
 - c. Any specific hiring criteria for program chairs and/or faculty; and
 - d. The programmatic accreditor's standards and requirements relative to licensure, if applicable.
4. Is licensure required for graduates to gain employment in the field related to the proposed program?
 YES
 NO

If the school checked “YES,” provide a copy of a drafted licensure disclosure (i.e., website, catalog) that will be provided to potential applicants disclosing the licensure requirements (e.g. licensure examination) expected to be completed after graduation from the proposed program.

5. **A related degree program is defined as related to the approved degree program(s) currently offered the school. ONLY if the proposed program is a related program, explain the relationship of the proposed related program to the programs currently offered at the school in the following areas: **curricula, educational and occupational outcomes, Program Advisory Committee, faculty, facilities and resources.****

Make sure the Payment Submission Form clearly identifies the school and the type of application. Also, did the school submit a payment for the correct amount?

State approval is critical! Without state approval or documentation of licensure by means of accreditation we cannot process the application. Sending in the application while you are waiting for state approval does not put you ahead of others with complete applications in the review queue!

If the state approval includes program name, clock and/or credit hours - make sure information provided in the application matches the state approval.

6. Justification of the Propose Degree Program (*Section II (A)(2), Substantive Standards, Standards of Accreditation*):

- a. Provide the school's current mission statement.
- b. Explain how the curriculum is consistent with mission of the institution and other institutional goals and objectives.
- c. Provide the following assessments to support and justify the proposed program that must include detailed narratives and documentation supporting the reasons to offer the proposed program and the need of the program for the local, regional, and national geographic areas. Specifically describe each area below:

Include a brief narrative on how the new program is consistent with the institutional mission.

Use local data to support the need for the program – Narrative should include:

An analysis of expected job opportunities for graduates. Address potential competition in the area – are there a lot of other schools offering a similar program? If so, why do you think it will be viable for your school?

- i. A detailed assessment of the **program's viability** to include information regarding other education institutions that may offer the same or similar program (e.g. competing institutions) and provide local and national socioeconomic factors that may affect the proposed program's enrollments and graduation outcomes. Please include corresponding current local and national data to support the assessment (e.g., data from reputable sources, graphics illustrating comparative graduation and employment rates from similar programs offered competing institutions, etc.),
 - ii. An analysis of the **demand for graduates** from the program's area of study to include current statistical data regarding needs of employers, local employment outlook, earning potential for graduates, and the need for training. Include current and comparative local and national labor market needs data, statistical analysis regarding employment opportunities in the related field, earning potential for graduates, and the need for training and re-training specific to the employer needs and requirements (e.g. data to show trend in the industry, government agencies, professional associations, etc.).
- iii. A detailed justification as to how the completion of an associate degree program is more beneficial to graduates than either completion of a diploma or certificate or offering the degree at a higher level (i.e. bachelor's degree)
- d. Did the school previously offer and discontinue the proposed program?
 YES
 NO

If yes, explain the reasons for the previous discontinuation of the program and describe how the school determined the success of the program going forward.

7. **For schools applying for their first associate degree program or first baccalaureate degree program, provide the following:**

- a. Provide a detailed narrative regarding how the school enhanced its infrastructure to accommodate a degree program. In addition, include the school's future plans to enhance its infrastructure to accommodate the degree program in each of the following areas:
 - i. Student services (i.e. student advising and disability support);
 - ii. Learning resource system: provide additional information in the following areas, as applicable:
 - a. Incorporated technology to assist with interaction between faculty and students;
 - b. Multimedia technology use for program instruction;
 - c. Library audio and visual resources (e.g., podcast, audio blogs, drawings, etc.); and

APPLICATION FOR APPROVAL OF AN UNDERGRADUATE DEGREE PROGRAM

- d. Library link resources (e.g., other databases)
 - iii. Faculty member qualifications for the proposed program;
 - iv. Facilities and equipment as it relates to the proposed program;
 - v. Director of Education qualifications;
 - vi. Admission requirements specific to the proposed program;
 - vii. Management and Administrative support staff and capacity;
 - viii. Annual budget allocations; and
 - ix. External feedback (e.g. employers)
- b. Describe how the school will continue to assess and improve the activities that will support of the proposed associate degree.
8. Program Design, Development, and Organization:
- a. An Outline of a Degree Program (available online at www.accsc.org) and corresponding course descriptions for each course required for completion of the proposed degree program⁴ (*Note: Course credit hours may only round down to the nearest whole or half credit*).
 - b. Describe the school's process for the design and development of the courses, course learning materials, curricula, student learning outcomes, and student assessment including the internal and external resources used (*Section II (A)(2)(a), Substantive Standards, Standards of Accreditation*).
 - c. Explain how the school determined that the breakdown of the number of clock hours/credit hours for technical/occupationally related courses and general education courses is appropriate for didactic, supervised laboratory, and externship (*Section II (A)(3) & Appendix III, Substantive Standards, Standards of Accreditation*).
 - d. Provide the institutional processes and procedures used to determine the average amount of time expected for outside of class preparation.
 - e. Provide a narrative justifying the length of the proposed program and describe how the length of the program is appropriate to enable students to achieve the program objectives.
 - f. Provide the estimated number of hours' students will spend each week in class, lab, and on outside work (i.e. homework).
9. Program Evaluation:
- a. Describe the school's systematic and evidence-based process to evaluate programmatic curriculum and course content (*Section II (A)(4)(a), Substantive Standards, Standards of Accreditation*).
 - b. Describe with details and supporting documentation the school's capacity to offer the proposed degree program in the following areas:

Include sufficient information to demonstrate that the school is prepared to offer a degree program or move to a higher degree level. Remember, the Director of Education must have a credential that is one level higher than the degree level offered. In addition, faculty qualifications may change.

The total clock and credit hours on the outline must be the same as the information provided on page one of the application and the State Approval (if applicable).

For items b & c include a complete narrative of the school's process used for curriculum development, i.e., who is involved, how the school determined what courses to include, and the process to determine appropriate distribution of class/lab/externship.

Explain how the school will incorporate review of this program as part of the overall institutional planning and assessment process with a focus on evaluation of student learning outcomes.

⁴ The estimated number of hours (clock or credit) awarded per course must conform to generally accepted practice in higher education (e.g. 3 semester credit hours / 4 quarter credit hours) (*Section II (A)(3)(g), Substantive Standards, Standards of Accreditation*).

APPLICATION FOR APPROVAL OF AN UNDERGRADUATE DEGREE PROGRAM

Accrediting Commission of Career Schools and Colleges (ACCSC)

Include only the program budget, not the entire school budget.

- i. Future budget allocations: Provide proposed program budget showing the future allocation of financial resources to support the program including resources for faculty salaries, educational materials, learning resource materials, supplies/equipment, advertising and how this is sufficient to operate the new program.
 - ii. Facilities and equipment: Describe the specific **facilities and equipment** within the school that are to be used for the proposed program. How does the school plan to enhance the **facilities and equipment** to accommodate the offering of the proposed program?
 - iii. Does the school intend to expand existing facilities? If so, has the school submitted the appropriate and required report/application (e.g., *Facility Expansion Report or Application for a Satellite Location*)?
- c. Provide a list of the Program Advisory Committee members (**Note: Program Advisory Committees must be comprised of at least three members that represent the employment community and/or practitioners who are external to the institution (i.e., non-school employees)**) for each program or group of related programs, using the following chart (*Section II (A)(6)(a), Substantive Standards, Standards of Accreditation*).

SCHOOL NAME:			SCHOOL NUMBER:			
PROGRAM NAME:			CREDENTIAL:			
PROGRAM ADVISORY COMMITTEE						
ADVISORY COMMITTEE MEMBER'S NAME	TITLE COMPANY ADDRESS CITY, STATE	TELEPHONE NUMBER EMAIL ADDRESS	REVIEW RESPONSIBILITIES (check as applicable)			
			EMPLOYER / PRACTITIONER	EDUCATOR, REGULATOR, ETC.	MASTER'S DEGREE	DISTANCE EDUCATION

- d. Submit minutes of the PAC meeting(s) to demonstrate the committee's *review* and *comments* on the proposed degree program including the appropriateness of the **curriculum objectives, content, and length**. (*Section II (A)(6)(d)(iii), Substantive Standards, Standards of Accreditation*).
10. Describe how the training/instructional aids for the proposed degree program are sufficiently comprehensive and reflect current occupational knowledge and practice and include the following: A list of **textbooks (include publication year), supplies, equipment, and audio/visual aids that the school will utilize for the proposed degree program** (*Section II (A)(5), Substantive Standards, Standards of Accreditation*).
11. Learning Resource System:
- a. Provide a narrative regarding how the school's current learning resource system supports the education experience with materials commensurate with the level of education.
 - b. Provide a narrative regarding how the school has enhanced its learning resource system to meet the objectives of the proposed program including elements such as relevant and current texts and periodicals; research journals and databases; standard works of reference; multi-media and/or electronic resources; electronic library resource technologies; and other resource materials necessary to adequately serve the student body (*Section II (A)(7)(a), Substantive Standards, Standards of Accreditation*).

PAC minutes **MUST** demonstrate that the PAC reviewed and discussed all defined areas of review for a new program!

- c. Complete the following chart and demonstrate that the school has an individual qualified to oversee and supervise the learning resource system (*Section II (A)(7)(c), Substantive Standards, Standards of Accreditation*).

If the school offers baccalaureate degrees or higher, the LRS Supervisor must have a MLS or a MLIS degree.

SCHOOL NAME:			SCHOOL NUMBER:		
LRS SUPERVISOR					
STAFF NAME	POSITION	DEGREE/CREDENTIAL EARNED (Year)	DESCRIPTION OF WORK EXPERIENCE AND/OR TRAINING FOR THE POSITION	FROM (M/Y)	TO (M/Y)

- d. If this information is not available, submit the specific hiring criteria to be used for the selection of the LRS Supervisor and the timeline for when the position will be filled.

12. Faculty Qualifications:

- a. Complete the following chart by listing the faculty teaching technical and occupationally related courses in the academic associate degree program and demonstrate that faculty teaching in the degree program have four years of related practical work experience in the subject area(s) taught **and** possess a related degree at least at the same level of the course the faculty member is teaching (*Section III (B)(7), Substantive Standards, Standards of Accreditation*). (**Note: Instructional experience does not qualify as practical work experience.**) In addition, provide the course title(s)/course number(s) for each course that the faculty member will teach in the proposed program.

Fill out table completely. Include the Month and Year for Practical Work Experience. Also remember that teaching does not qualify as Practical Work Experience. Take a moment to add up the number of years of work experience prior to submission so you know the faculty member will meet the necessary requirements.

SCHOOL NAME:			SCHOOL NUMBER:

- e. The credential to be awarded upon completion of the proposed associate degree program (Catalog Checklist, Item #23).

15. Clinical/Practicum Hours:

Does the proposed degree program include clinical or practicum hours?: (**Note: These hours are hands-on practice based hours that occur off-site and are supervised by a faculty member**). If yes, please provide the following:

- a. A detailed narrative describing the clinical/practicum, including information regarding the types of off-site facilities used and justification regarding the number of clinical/practicum hours required (i.e. programmatic accreditation and/or state requirements); and
- b. The clinical/practicum evaluation criteria, including a copy of the evaluation form, which will be utilized by the supervising faculty member at the clinical site to assess the students' attainment of the training objectives of the clinical/practicum.

16. Externship:

Does the proposed degree program include an externship? If yes, provide the following:

- a. A written training plan or course syllabus that identifies the students' goals, as well as the applications and experiences that are to be accomplished during this specific externship (i.e., technical skills, knowledge) (*Section II (A)(8)(b), Substantive Standards, Standards of Accreditation*).
- b. The on-site evaluation criteria (i.e., externship evaluation form), which will be utilized at an externship site to assist in grading the students' attainment of the training objectives in this specific externship.
- c. Information regarding the faculty or staff member who will supervise or coordinate this externship on the chart below (*Section II (A)(8)(c), Substantive Standards, Standards of Accreditation*).

SCHOOL NAME:		SCHOOL NUMBER:			
EXTERNSHIP SUPERVISOR / COORDINATOR					
INSTRUCTOR NAME	PROPOSED PROGRAM COURSE <i>Title(s) / Number(s)</i>	DEGREE EARNED <i>Include: Subject, Credential, Year & Institution(s)</i>	PRACTICAL WORK EXPERIENCE <i>(Note: Instructional experience does not qualify as practical work experience)</i>		
			JOB TITLE, PLACE OF EMPLOYMENT, AND DESCRIPTION OF WORK EXPERIENCE	FROM <i>(M/Y)</i>	TO <i>(M/Y)</i>

- d. **If this information is not available, submit the specific hiring criteria to be used for the selection of the faculty or staff member and the timeline for when the position will be filled.**

17. Note that **any externship that is greater than one-third** of the total length of the degree program requires review and approval by the Commission (*Section II (A)(8)(e), Substantive Standards, Standards of Accreditation*). If the school is adding an externship or increasing the number of externship clock and/or credit hours whereby the externship exceeds one-third the total length of the program, provide the following:

- a. Justification as to how the externship length is appropriate for the degree program, content, and objectives.

APPLICATION FOR APPROVAL OF AN UNDERGRADUATE DEGREE PROGRAM

Accrediting Commission of Career Schools and Colleges (ACCSC)

- b. If the externship length is required by the state, programmatic accreditor, or other regulatory authority, please explain the specific regulatory requirements **and** provide documentation (i.e. regulatory agency requirements and correspondences) that supports the justification and/or requirement for the externship length.

Take a few moments to review your entire application!

Does the program information provided on Page 1 align with the program clock and credit hours (if appropriate) on the Non-Degree Program Outline or Allocation of Clock Hours form?

Did you provide either a narrative or back-up documentation for all items listed?

Is the submission free of typos and discrepancies?

Is the narrative succinct, specifically addressing the questions asked?

Did you fill out each chart with all the necessary information?

Did you attach all supporting documentation (i.e., state approval, program outline, etc.)?

Is the PDF one continuous document and bookmarked?

Do the bookmarks work?
