

Disclosure of Commission Actions to the Public

Pursuant to *Section X (D)(2), Rules of Process and Procedure, Standards of Accreditation*, the Commission, at the same time it notifies the school, will make public a decision to place a school on Probation or Warning and provide the reasons for the action. The following is a Probation action taken by the Commission. The specific accreditation standards cited in this document can be found on ACCSC’s website at www.accsc.org under the “Accreditation” tab and “Standards of Accreditation.”

Summary of Grounds for Probation

The Commission found that there is sufficient evidence demonstrating that Divers Academy International has failed to maintain compliance with *Section I (G)(1), Rules of Process and Procedure, Standards of Accreditation*. This section of the *Rules* requires a school to supply the Commission with complete, truthful, and accurate information and documentation showing the school’s compliance with all accrediting standards if the school is to maintain accreditation.

The Commission found that Divers Academy International is not in compliance with *Section I (A)(2)(b & c), Substantive Standards, Standards of Accreditation*. This section of the *Standards* requires that all owners, members of school management, and administrative employees must have past records that demonstrate a commitment to:

- a. Providing quality education to students;
- b. Ethical, fair, and honest practice; and
- c. Compliance with accrediting standards and applicable federal, state, and local requirements.
