Did you know that the Commission regularly publishes research, brochures, and newsletters designed to support ACCSC-accredited institutions and enhance the student educational experience? These free resources are all available on the ACCSC website—click the links below for more information!

The **Blueprints for Success** series provides a framework that can help a school gain a better understanding of the expectations and rigor of the accreditation process, as well as sample documentation that a school might consider in order to demonstrate compliance with accrediting standards.

- **Module I:** Preparing a Comprehensive Response for Commission Consideration
- **Module II:** Organizing an Effective Electronic Submission (Currently Under Construction) See ACCSC Instructions for Electronic Submission
- **Module III:** Preparing for the On-Site Evaluation
- **Module IV:** The Graduation and Employment Chart

ACCSC’s **Webinars** provide an opportunity to hear updates on recent initiatives, as well as professional development opportunities for a variety of roles at high performing institutions. More webinars and several PDC Power Sessions are available on ACCSC’s **Online Training Center (OTC)**; visit the OTC’s **Free Resources** to access Virtual Trainings and Webinars including:

- Updates to the Standards of Accreditation
- Initial Distance Education Applications
- Virtual Visits
- The Recognition of Essential Workforce Skills
- Faculty Development Series

Visit **Webinars** on ACCSC’s website for more past webinars, presentations, and certificates.

The **Monograph Series** is designed to provide guidance to ACCSC-accredited schools in the cycle of continuous performance improvement, self-evaluation, and self-improvement processes and practices.

- Completing a Successful Degree Application
- Maximizing Program Advisory Committees
- Learning Resource Systems
- Faculty Improvement Planning/Implementation
- Self Evaluation Processes and Practices
- Institutional Assessment and Improvement Planning/Implementation
- **NEW** Assessing Student Learning Outcomes

The Commission has created a series of **Letters for Students, Graduates, and Employers**, designed to provide useful information regarding the role ACCSC plays in supporting and enhancing the educational experience.

- **New Student** (Engl. / Span.) - schools are encouraged to incorporate this letter with any existing orientation packet provided to new students;
- **Graduation** (Engl. / Span.) - this letter extends the Commission’s congratulations and reminds graduates to stay in touch with their school as a means to provide feedback on the program and the graduate’s success in the workplace; and
- **Employer** (Engl. / Span.) - this letter is designed to help schools partner with employers in order to assess and verify how successful students are in obtaining employment in the field of study after

The **Spotlight on Excellence** highlights innovation and best practices online being implemented by ACCSC-accredited schools to better support today’s students. Written by the schools, the Spotlight on Excellence provides an opportunity for schools to share best practices with each other in the ACCSC community as a means to support student success in the workforce.

**Speaker:**
**Christine Galdston, JD, LL.M.**
With nearly 20 years’ experience working with “non-traditional” schools, Ms. Galdston understands the unique challenges facing these institutions as they try to maintain compliance with myriad and ever-changing regulatory requirements. As a former Title IX Coordinator, she understands the practical challenges faced by schools in their efforts to support safe and inclusive campuses, meet ever-evolving compliance burdens and ultimately serve students in meeting their educational objectives. This hands-on experience combined with legal training and in-depth understanding of the legal landscape informs the insightful perspective she shares with schools through her training and advisory services.

CareerPrepped® is a lifelong career success system to help students and job seekers build, prove, and showcase their skills. CareerPrepped has been adopted by ACCSC to help schools achieve and maintain the EWS Programmatic Certification.

A Suite of Standards-Aligned Self-Help Tools that Support Students' Lifelong Career Success

**ADDRESS ALL ESSENTIAL WORKFORCE SKILLS**
CareerPrepped’s Skill Builders help students build all essential workforce skills in all six EWS competency areas. Make them available to students as on-demand, self-help resources and embed any into existing curricula.

**TRACK STUDENTS’ SKILL DEMONSTRATION**
CareerPrepped’s Skill Badges and Career Portfolio enable your students to store unlimited evidence of their skills so you can intervene early to assess what skills they can or cannot demonstrate to employers.

**INTEGRATE SCALABLE SUPPORT SERVICES**
Provide always-on career support and workforce competency development tools, including a resume builder, interview prep videos and a Job Center embeddable throughout the student journey from day one.

**SHOWCASE STUDENTS’ FULL VALUE**
Empower students to tell their career story and showcase their full value with their own Career Site. Upgrade your student & alumni talent pool from folders of resumes to digital, searchable, shareable Career Sites.

**SUPPORT STUDENTS’ LIFELONG LEARNING**
Give unlimited students lifetime access to the CareerPrepped community and tools. Create unlimited groups to organize students how you want, add group admins to any group, and see usage statistics on all groups.

**CREATE AN EWS CULTURE**
Create an essential workforce skills culture using a skills taxonomy concretely defined, modeled by all staff, deliberately practiced, and proven with authentic evidence that carries with students upon graduation.
