**Requirements of an ACCSC Commissioner:**

In order to conduct business in an effective manner that is supportive of ACCSC activities and goals, the Commission meets and participates in several activities throughout the year. An annual schedule includes the following:

- Attendance at four (4) four-day meetings per year;
- Attendance at ACCSC's Annual Meeting and Professional Development Conference (3 days);
- Attendance at minimally four (4) conference call meetings, one per quarter (generally 1-2 hours); and
- Committee work in one or more of the Commission's policy areas.

Each Commission meeting requires significant preparation as each Commissioner reads an array of assigned files that contain information garnered through the accreditation process and then contributes to and participates in each accreditation action taken by the Commission. Generally, this can add up to 40-60 hours of preparation per quarter. In addition, each Commissioner is assigned to committee work in areas such as interim monitoring, program review, progress reporting, financial review, and standards review.

Honesty, integrity, impartiality, and good judgement are essential traits to be an ACCSC Commissioner and necessary to ensure that ACCSC meets its mission, conducts its business in accordance with established rules, and makes sound, fair, and consistent accreditation decisions that yield a high level of confidence in ACCSC and the accrediting process. The avoidance of misconduct and conflicts of interest on the part of the Commissioners through informed judgment is indispensable. For this reason, a strict Code of Conduct is required of all Commissioners. Please be advised that ACCSC will conduct a file review regarding the status of a nominee's affiliated school(s) as well as reference and background checks prior to the interview stage.

Serving as a Commissioner for ACCSC requires a strong commitment to vocational and career-oriented education as well as ACCSC's mission and core values. Serving in this capacity also provides an opportunity to:

- Help improve institutions and the opportunities for quality education available to students;
- Contribute to the quality of the accreditation process and the ACCSC *Standards of Accreditation*;
- Serve to advance ACCSC's mission; and
- Network with a group of outstanding peers.

If you are interested and eligible to serve as a Commissioner, we hope that you will give serious consideration to submitting a Nomination Form or otherwise to help identify outstanding and qualified candidates to serve on the Commission.
